

Art Birthday Parties

Program and Policies

Birthday Packages

All birthday party packages include a 30 minute museum tour and 30 minute art making activity with the program facilitator.

POP-tastic Birthday

Step into a world of vibrant colors and bold designs as we journey through our dazzling Pop Art exhibit. See famous works in CAM's collection from artists like Andy Warhol and Robert Rauschenberg, and discover how they turned everyday objects into art. Using our Pop Art Gallery as inspiration, kids will unleash their inner artist with hands-on collage making activities that allow them to recreate how they see pop culture as a part of your birthday experience!

Abstract Adventure

We'll explore masterpieces from Abstract artists like Joan Mitchell, Grace Hartigan, and Louise Nevelson to unravel the secrets of how art can be a world of emotions and imagination. Using our Abreaction Gallery as an inspiration, young artists will experiment with colors, shapes, and textures, creating their own abstract masterpieces under the guidance of our program facilitator with oil pastels. This package includes a tour of our Abstract Gallery and an art activity for children to create their own Abstract masterpieces!
